

Walleye Cast & Blast

Hosted Fishing Excursion on the Scenic Missouri River with Pro Staff Fisherman, Rob Linhoff

Cast and Blast with Pro-Fisherman, Rob Linhoff on the Missouri River. You will fish on two of South Dakota's best walleye lakes, Lake Francis Case and Lake Sharpe. The fishing is hot April through August! With 18-20 ft Triton boats and the top gear available, you are sure to catch your limit! We will start out the morning with shooting sporting clays, skeet, 5-stand and trap. In our newly built rifle range, you will use several rifles, from the historic Winchester and Henry Lever action rifles that tamed the Wild West, to modern high-power assault and tactical sniper rifles. On the pistol range, learn to shoot the Peace Maker Single Action revolvers and the iconic 1911 semi-automatic pistols. We will then spend a long afternoon on the river fishing for the best walleye in the area!!! After returning to the Ranch, you will relax at the bar or by the bonfire, then enjoy a delicious chef made dinner you will not forget. Experience the breathtaking view of the Missouri River from Historic Thunderstik's front porch and scan the rolling hills down to the river to our buffalo herd, mule deer and other wildlife. The views are amazing!
